## Author Talk

The library is pleased to welcome local author and archeologist Shari Peyerl as she shares from her new book *Alberta's Cornerstone: Archeological Adventures in a Ghost Town*.

**Wednesday, May 25th @ 6:30 PM.**

This book talks about the fascinating exploration of a vanished settlement in Glenbow Ranch Provincial Park, told from the framework of an archeologist's memoir. Shari is an archaeologist, archivist and writer who loves using clues from written and oral history, archaeology and genealogy to reveal how ordinary people contributed to history. Certain to be a fascinating evening!
