No one knows what to make of the mysterious clicks. To Dr. Kiera Walsh, an aerospace engineer introduced to Ajay and his findings, the consistent, repetitive pattern of the clicks points to the possibility of a lost Martian probe caught in Callisto's orbit. She shares this view with her employer, billionaire and space exploration privateer, Augustus Amato, and is surprised to learn Amato disagrees with her conclusion. He believes the clicks herald something more ominous orbiting Callisto.
