## FEATURES OF THE MONTH

- Thirteen top authors for young people speak out about what it's like to have your work banned or challenged in America today. They discuss why their books have faced censorship, how the challenges have affected their writing, and why some people want to deny access to books. Meanwhile, Leonard S. Marcus puts First Amendment challenges in a historical context and takes a promising look at the vibrant support network that has risen up to protect and defend young people's rights.
- Cordelia Carstairs flees to Paris with Matthew Fairchild, but receives shocking news from home: Tatiana Blackthorn has escaped the Adamant Citadel, and London is under new threat by the Prince of Hell, Belial. The long-kept secret that Belial is James and Lucie's grandfather has been revealed, and the Herondales are under suspicion of dealings with demons.

*"WHAT CANNOT BE SAID ABOVE ALL MUST NOT BE SILENCED BUT WRITTEN."*  
- JACQUES DERRIDA

Women can be heroes. When twenty-year-old nursing student Frances "Frankie" McGrath hears these unexpected words, it is a revelation. In 1965 the world is changing, and she suddenly imagines a different choice for her life. When her brother ships out to serve in Vietnam, she impulsively joins the Army Nurse Corps and follows his path. As green and inexperienced as the men sent to Vietnam to fight, Frankie is overwhelmed by the chaos and destruction of war, as well as the unexpected trauma of coming home to a changed and politically divided America.

Exploring how witchcraft became feared, decriminalized, reimagined, and eventually reframed as gendered persecution, *Witchcraft* takes on the intersections between gender and power, indigenous spirituality and colonial rule, and political conspiracy and individual resistance. Offering a vivid, compelling, and dramatic story, unspooling through centuries, about the men and women who were accused--some of whom survived their trials, and some who did not--*Witchcraft* empowers the people who were and are victimized and marginalized, giving a voice to those who were silenced by history.

*"BIRDS OF A FEATHER BURN TOGETHER, THOUGH AS A RULE RAVENS ARE SINGULAR."*

A dazzling epic of WWII-era Nassau - a hotbed of spies, traitors, and the most infamous couple of the age, the Duke and Duchess of Windsor. The Bahamas, 1941. Newly-widowed Leonora "Lulu" Randolph arrives in Nassau to investigate the Duke and Duchess of Windsor for a New York society magazine. But as she infiltrates the Duke and Duchess's social circle, and the powerful cabal that controls the islands' political and financial affairs, she uncovers evidence that beneath the glister of Wallis and Edward's marriage lies an ugly - and even treasonous - reality. Then Nassau's wealthiest man is murdered in one of the most notorious cases of the century, and the resulting cover-up reeks of royal privilege.
